### SPRING CLEAN UP

Spring clean-up is scheduled for May 6-7. Please do your best to haul any items you can and help your neighbors.

For pick up you MUST:

- Call and be placed on the list
- Place items in the right of way
- Separate green waste from other items to have them removed.

We cannot take items with disposal restrictions. Don't forget to cover your loads on the way to the landfill.

### LAWN MOWING SEASON

Please be mindful of your water meter when mowing (& shoveling snow). The meter has sensitive equipment on the lid and any cost for repairs is billed to your account. You may also want to note that it is illegal to remove a water meter lid.

### GARBAGE REMINDER

As weather warms up, so have neighbor complaints about garbage not being properly contained, being smelly and/or attracting cats, mice, and other critters. To help keep your neighbors happy, please do not store garbage in your yard or in open vehicles. See code online for details. Also, park dumpsters are for park use ONLY. We love when you clean up after your park outings, but please don't use them to clean out your house. Personal dumping is not allowed. If you need a garbage receptacle, local garbage companies are happy to accommodate and your neighbors and local businesses will appreciate you not using theirs.

### GREAT SHAKE OUT

There will be a test of the emergency sirens on April 21<sup>st</sup> between 10 & 11AM.
